

# Connecting Learning Greek to the World of Work: e-book

Use the resource 'Pursuing Pathways in Greek after School: an e-book' to help you answer the questions below.

1. Brainstorm careers in which knowing the Greek language may be useful and explain why.

Careers in which knowing the Greek language may be useful	Why

2. Read the scenarios below and answer the questions.

Scenarios	Solutions
<p><i>You are in Year 11 and would like to become a primary school teacher and teach Greek. How will you go about obtaining the required qualifications?</i></p>	
<p><i>Eleni, a native Greek speaker, arrived from Athens last week and would like to become a high school Greek teacher. She has not studied at university level. She has completed the equivalent of Year 12. How could she go about gaining the required qualifications to teach Greek at a high school in Australia?</i></p>	
<p><i>Kosta would like to study to become a lawyer, but would also like to study Greek, as he believes it will give him a workplace advantage being able to communicate with a larger clientele. What are his options to study the language after school?</i></p>
